**WHEREAS** Committee of the Whole at their meeting held on May 3, 2022 considered Staff Report WE-15-22 regarding Lions Park Industrial Waste Remediation;

**NOW THEREFORE BE IT RESOLVED THAT** Council direction be provided to remediate the Lions Park industrial waste site as per the Agreement with Canada;

**AND THAT** staff be directed to ensure that a remediation and restoration plan is developed which includes an appropriate replanting program based on the current 1:1 replacement practice with a design which aligns with the goals and recommendations of the Forest Master Plan, Leisure Service Master Plan and other strategic municipal priorities;

**AND THAT** staff be directed to ensure that the replanting program consider the short/medium term impact to the neighbours and is designed to regenerate and enhance this public space;

**AND BE IT FURTHER RESOLVED THAT** direction be provided to Parks, Recreation and Culture (PRC) staff, in consultation with the PRC Advisory Committee and other stakeholders, to investigate parkland renewal and redevelopment opportunities for Lions Park and develop recommendations to revitalize this underutilized community asset for consideration in a future budget proposal.
