

*MUNICIPALITY OF PORT HOPE
RESOLUTION*

Date: 5 July 2022

40/2022

MOVED BY: _____

SECONDED BY: _____

WHEREAS at the Special Meeting of the Works and Engineering Committee meeting held on June 22, 2022 Report WE-20-22 was considered regarding Walton Street Reconstruction and Streetscape Improvements between Pine Street to Mill Street;

AND WHEREAS Report WE-20-22 provided for numerous options for consideration to be included in the detailed design of Phase 2 of the Walton Street Reconstruction;

AND WHEREAS the Works and Engineering Committee reviewed and provided a recommendation to Council on each of the design options identified;

NOW THEREFORE BE IT RESOLVED THAT Council approve the following preferred designs as identified in Report WE-20-22 for each of the specific locations in order to proceed with the detailed design of Walton Street from Pine Street to Mill Street:

1. **Walton Street (Pine Street to Brown Street)** - Option 2: Replace as is.
2. **Walton Street and Ontario Street** - Option 3: Replace as is.
3. **Walton Street and Cavan Street** - Option 2: Remove bump outs.
4. **Heritage District Gateway Sign** - Option 2: Replace as is.

AND BE IT FURTHER RESOLVED THAT the formalized connection of the Cochingomink Trail that utilizes the existing pedestrian crossing at Queen Street be referred to the Waterfront and Riverwalk Working Group to make a recommendation to Council at a future date.

Mayor Bob Sanderson
