

WELCOME BACK  
CAPITOL THEATRE 2022

The viability of the Capitol Theatre was protected, and preserved.

- Board, staff rose to the occasion.
- Successfully recruited a creative visionary as artistic producer.
- Community stood by us - and stood-up **for** us during period of great vulnerability.
- As did this Council – and for that *we are so very grateful*.

As a result:

- Expansion completed and paid for - on time, and on budget. . . Donor Wall to be unveiled in 2022;
- Overhauled our financials systems and developing new system to integrate key data;
- Fundraising activities were financial and cultural successes;
- Theatre set up to follow health & safety protocols;
- The *Under the Marquee* summer series & Importance of Being Earnest were big audience hits, brought people back to the theatre;
- *Miracle on Queen Street* and Festival of Lights & Trees are both showing strong community support.
- A balanced budget — remains a pragmatic objective in 2022.

## The Capitol Theatre:

- A public and community asset as well as a major tourist attraction.
- Stimulates vital street level commerce - a mainstay of our retail economy.
- Over 85,000 people came pre-covid .
- Revenue comes from fundraising, ticket sales and government grants.
- Municipal grant key to other government grants.
- Volunteers play an integral role .
- Not-for-profit arts and cultural organization with charitable status to issue tax receipts.
