

THE CORPORATION OF THE MUNICIPALITY OF PORT HOPE

BY-LAW NO. 74/2023

*A By-law to Prescribe Fees for Services provided by
the Municipality of Port Hope and Repeal By-law 80/2022.*

WHEREAS Section 391.(1) of the Municipal Act, 2001, S.O., c.25 authorizes to pass a By-law to impose fees or charges on any class of persons for services or activities provided or done by or on behalf of it, for costs payable by it for services or activities provided or done by or on behalf of it and for the use of its property including property under its control;

AND WHEREAS Council considered Report FS-20-23 at the Committee of the Whole meeting on November 7, 2023;

NOW THEREFORE the Council of the Corporation of the Municipality of Port Hope hereby enacts as follows:

1. THAT the fees and charges as set out on the attached Schedules attached hereto comprising part of this By-law are hereby authorized and approved, plus all legislated taxes (HST) unless otherwise specifically noted in the schedules as being inclusive.
2. THAT the Chief Administrative Officer is hereby authorized to approve any additions or minor administrative adjustments to the Fees and Charges throughout the year and identify those changes to Committee as part of their annual review and approval process.
3. This By-law shall come into force and effect on January 1, 2024.
4. THAT By-law 80/2022 is hereby repealed and By-law 74/2023 supercedes any previous By-laws to the contrary.

READ a FIRST, SECOND and THIRD time and finally passed in Open Council this 5th day of December, 2023.

Olena Hankivsky, Mayor

Shrishma Davé, Acting Clerk

Water Services Water Distribution Meters (510-500-0000-4256)	Fees
ITEM # 1 - 1" Water Meter	\$815 Supply and installation of a new 1 water meter and remote sensor. Service call rate per hour (minimum 1 hour charge), administration fee, plus material costs. Material costs include the meter and all associated parts as required (tail pieces, wire, remote sensor).
ITEM # 2 - 5/8" Water Meter	\$595 Supply and installation of a new 1 water meter (5/8" chamber x 3/4" ears) and remote sensor. Service Call Rate per hour (minimum 1 hour charge), administration fee, plus material costs. Material costs include the meter and all associated parts as required (tail pieces, wire, remote sensor).
ITEM # 3 – Industrial, Commercial, and Institutional Water Meter	Time plus material cost Supply of water meter greater than 1", inclusive and supply and installation of remote sensor, fee applicable regardless of zoning designation (ie. commercial, industrial, institutional), only during normal working hours. Service Call Rate per hour (minimum 1 hour charge), administration fee, plus material costs. This includes supplying the meter (ie. control over make, model and sensor) and install remote sensor only as required (staff not licensed to install meter >1"), includes routine inspection of bypass connections and backflow prevention device (ie. meters 1 1/2" and greater require bypass connections which shall be sealed and tagged by Water Department operators to prevent theft of water).
Water Services Water Distribution Meter Repairs (510-500-0000 4256)	Fees
ITEM # 4 - Obstructed Water Meter	Time plus material cost Correction of obstructed water meters (ie. private homeowners' box-in or conceal access due to finished basements or historic home renovations). Service Call Rate per hour (minimum 1 hour charge), administration fee, plus material costs. Intended to recover costs for municipality to retain third party licensed contractor to correct obstruction to maintain legal access to water meter and sensor, fee shall include staff time, burdens, and flat rate administration fee.
ITEM # 5 - Meter Certification (Meter Test)	\$334 for a meter <1" / >1" will be time plus material cost Written correspondence regarding physical test results of residential water meters at the request of homeowners. Fee shall be refunded should meter be faulty. Flat rate fee per occurrence intended to recover costs for certification of residential water meters less than 1" at the request of owner - includes removal of existing meter, certification by an approved third-party company, re-installing meter and compliance report to owner. Meters over 1" requiring certification - include testing of meter completed by a Municipal approved 3 rd party company and compliance report to the owner. Owner is responsible for costs associated with removing and installing water meter. Replacement meter is payable by the owner.
ITEM # 6 – Backflow Inspection	\$110 For commercial development projects which are to be held responsible for the certification of the backflows. Director of Works and Engineering or designate approval for public connections. Backflow fee of \$110 per certification is consistent with going contractor rates. Includes Time, Paperwork and money to offset training and certification of BF Testing equipment. The owner is responsible for covering costs to replace borrowed/rented MPH backflow preventers damaged by frost and/or freezing.
Water Services Water Distribution Services (510-500-0000-4255)	Fee
ITEM # 7 - Abandonment of Water Service	\$3600 for 8 hrs MPH Water Staff will physically disconnect abandoned water service at mainstop (ie. Prior to demolition). Flat rate fee per occurrence, intended to recover costs associated with excavation or hydrovac, disconnecting service lateral pipe and turning off mainstop at the watermain to mitigate potential contamination from stagnant water, material costs include reinstatement of asphalt and/or boulevard, curb and sidewalk where applicable. *In unusual circumstances this fee may be adjusted to recover costs exceeding \$3600 at the discretion of the Director, Works and Engineering.

<p>ITEM # 8 - Damaged Curbstop</p>	<p>\$668 Flat rate fee per occurrence, intended to recover costs associated with intentional damage to municipal valves at property line, to correct damage caused., material costs include service box and rod, repairs normally include hand digging and exposing 2' of service box and straightening / rethreading by hand. * Where damages require removal and installation of a new curbstop / streetbox / valve boxes and other time plus materials fee will be invoiced to the property owner.</p> <p>Intentional Damage may include negligence such as not obtaining locates and is at the Discretion of the Director, Works and Engineering</p>
<p>ITEM # 9 - Service Call During Operating Hours</p>	<p>\$55 <1 Hour plus \$55 /hr thereafter Dispatch of a licensed distribution operator during normal working hours at request of consumer / account holder / plumber. The rate per hour (1-hour minimum charge per occurrence) is at the discretion of the Director, Works and Engineering or designate.</p>
<p>ITEM # 10 - Service Call After Operating Hours</p>	<p>\$163 <1 hour plus \$163 /hr thereafter Dispatch of a licensed distribution operator outside of normal working hours / weekends / statutory holidays, at request of consumer / account holder / plumber. The rate per hour (1-hour minimum charge per occurrence) is at the discretion of the Director of Works and Engineering or designate.</p>
<p>ITEM # 11 - Residential Water Service Tapping up to 50mm (2 inch)</p>	<p>\$563 Customer to supply parts and materials. Approved contractor shall expose watermain and prepare trench in accordance with OHSA and to the satisfaction of the Director, Works and Engineering or designate and a licensed Water Operator shall live tap the watermain and install the mainstop in accordance with SDWA Provincial, Municipal and AWWA Standards during normal working hours, this or any fee is not applicable for service taps greater than 2" which must be completed by a certified private contractor with oversight by municipal water operators. A Road Occupancy Permit will also be required for work completed within the right of way.</p>
<p>ITEM # 12 - Residential Water Service Connection (existing dwelling utilizing a private well)</p>	<p>\$1491 Fee payable upon residential connection to an existing municipal water service at property line (ie. curbstop) of existing dwelling serviced by a private well or joint service, connection shall only be permitted following proof of private well decommissioning by a licensed well driller or physical disconnection of joint services where applicable (ie. VLA lots with services branched from abutting dwelling), fee reduced to encourage connection.</p> <p>The Works & Engineering Department will not consider requests to construct new municipal service(s) under this or any category or fee type.</p> <p>Flat rate fee, intended to encourage existing residential dwellings with private wells to connect to municipal water system. *In unusual circumstances this fee may be adjusted to recover costs exceeding \$1491 at the discretion of the Director of Works and Engineering or designate.</p>
<p>ITEM # 13 - Residential Water Service Connection (vacant lot)</p>	<p>\$3786 Fee payable upon residential connection to an existing water service at property line (ie. curbstop), fee applicable only to vacant lots pre-serviced vis-à-vis Capital reconstruction work, fee not applicable to lots which are part of a plan of subdivision.</p> <p>Connection to pre-existing service will not be permitted if older than 20 years or at the discretion of the Director of Works and Engineering or designate.</p> <p>The Works & Engineering Department will not consider requests to construct new municipal service(s) under this or any category or fee type, Sanitary Service connections shall only be permitted following proof of Water Service connection to permit tracking and invoicing of usage.</p> <p>Flat rate fee, intended to recover the average cost of pre-servicing vacant residential lots or potentially severable lots from main to property line during road reconstruction or service main replacement, water service may have been constructed by public tender or by in-house forces, material costs include 10 meters of 3/4 inch or 1 inch service pipe, mainstop and curbstop, includes cost of watermain since value of vacant lot taxes did not pay for main costs.</p>

Water Services Water Distribution Hydrants (510-500-0000-4400)	Fee
ITEM # 14 - Hydrant Meter	\$220 per meter plus per cubic meter consumption as per rate study. Installation, monitoring and removal of temporary hydrant meter to regulate water usage during construction by approved third party contractors (ie. road compaction, sod watering). Includes backflow installation and certification. This fee or any fee not approved for private residential swimming pool consumption. The owner is responsible for covering costs to replace meters and backflow preventers damaged by frost and/or freezing.
ITEM # 15 - Hydrant Flow Test Supervision	\$325 Dispatch of licensed distribution operator to monitor and supervise hydrant flow tests by approved third party contractors and Engineering Consultants. Flat rate fee per occurrence includes water consumption and operator supervision for up to 4 hours. The tests shall be performed by the private contractor / Engineering Consultant, static pressures and flows will not be measured by Distribution Operator, material costs include average water consumption costs as per rate study (ie. normally flush hydrant for 30min to clear rust in older mains).
Water Services WTP Pumphouse Sales (Bulk Water) (510-500-0000-4752)	Fee
ITEM # 16 - Bulk Water Consumption	\$2.44 per cubic meter For bulk water at the Water Treatment Plant's automated bulk water depot.
Water Services Water Billing (510-500-0000-4750)	Fee
ITEM # 17 – Unmetered Water Consumption For Development	\$100 – Single Family Dwelling \$100 per unit – Semi Detached \$300 flat rate and \$50 per unit -Town/Condo. Over 25 units TBD by Director of W&E or designate \$TBD by Director of W&E or designate-Commercial/Industrial Based on a per home being built by developers up to 10 m3. This fee covers the general cost of using water for construction purposes. Water usage for the purpose of continuous run shall be metered. A hydrant meter shall be used for watering sod and lawns which includes grass seed. Other less common uses will be as approved by the Director of Works and Engineering or designate. MPH recommends using metered water where possible. The owner is responsible for covering costs to replace meters damaged by frost and/or freezing.

Wastewater Services Sanitary Sewer Revenue (410-450-0000-4999)	Fees
ITEM # 1 - Residential Sanitary Service (vacant lot)	<p>\$4245 Fee payable upon residential connection to an existing municipal sanitary sewer lateral at property line (ie. cleanout), fee applicable only to vacant lots pre-served vis-à-vis Capital reconstruction work, fee not applicable to lots which are part of a plan of subdivision.</p> <p>The Works & Engineering Department will not consider requests to construct new municipal service(s) under this or any category or fee type, Sanitary Service connections shall only be permitted following proof of Water Service connection to permit tracking and invoicing of usage. Connection to pre-existing service will not be permitted if older than 20 years or at the discretion of the Director of Works and Engineering or designate.</p>
ITEM # 2 - Residential Sanitary Service (existing dwelling)	<p>\$1720 Fee payable upon residential connection to an existing municipal sanitary service at property line (ie. cleanout) of existing dwelling serviced by a private septic system or joint service, connection shall only be permitted following proof of private septic system decommissioning or physical disconnection of joint services where applicable (ie. Veteran Lands Act lots with services branched from abutting dwelling). This fee has been reduced to encourage connection.</p> <p>Sanitary Service connections shall only be permitted following proof of Water Service connection to permit tracking and invoicing of usage. Connection to pre-existing service will not be permitted if older than 20 years or at the discretion of the Director of Works and Engineering or designate.</p>
ITEM # 3 - Service Call (During Operating Hours)	<p>\$55 <1 Hour plus \$55/hr thereafter per operator required Dispatch of a licensed collections operator during normal working hours at request of consumer / account holder / plumber. The rate per hour (1 hour minimum charge per occurrence) is at the discretion of the Director of Works and Engineering.</p>
ITEM # 4 - Service Call (After Operating Hours)	<p>\$163<1 hour plus \$163/hr thereafter per operator required Dispatch of a licensed collections operator outside of normal working hours / weekends / statutory holidays, at request of consumer / account holder / plumber. The rate per hour (1-hour minimum charge per occurrence) is at the discretion of the Director of Works and Engineering or designate.</p>
ITEM # 5 - Obstructed Clean-Out	<p>\$ Service Call plus Materials.</p>
ITEM # 6 - Abandonment of Sanitary Service	<p>\$4100 Physically disconnect abandoned the sanitary service at the main (ie. Prior to demolition). Flat rate fee per occurrence, intended to recover costs associated with excavation or hydrovac, material costs, reinstatement of asphalt and/or boulevard, curb and sidewalk where applicable. *In unusual circumstances this fee may be adjusted to recover costs exceeding \$3792 at the discretion of the Director of Works and Engineering or designate.</p>
ITEM # 7 - Damaged Clean-out cap	<p>\$170 Cost to replace a damaged clean out cap only.</p>
ITEM # 8 - Damaged Clean-out	<p>\$687 Flat rate fee per occurrence, intended to recover costs associated with excavating and minor repairs to the sanitary clean out at property line, to correct damage caused by private contractors and/or homeowners, material costs include repairs and also include hand digging and exposing >2'. * Where damages require more excavation and replacement of other appurtenances resulting from major damage by third party private contractors and/or homeowners (ie. paving companies, Union Gas, Bell Canada) Time plus materials fee will be invoiced to the property owner to recover time plus materials.</p>
ITEM # 9 - Camera Inspection	<p>\$163/hour + Service Call Fee Fee for camera and video inspection of private sanitary lateral or municipal portion. Fee will be returned if an issue is identified on the municipal side.</p>
Wastewater Services Sanitary Waste Disposal Revenue (410-450-0000-4757)	Fees

ITEM # 10 - Septage Waste Disposal Permit	<p>\$170 Approval for receipt of septic waste during normal working hours, including inspection and recording of volume at WWTP prior to discharge into influent receiving stream accepted at WWTP during normal working hours. Flat rate fee applicable for each occurrence or one time annual/seasonal fee at discretion of Director of Works and Engineering or designate shall be payable prior to first annual use. Intended to recover costs associated with administration, processing of application, monitoring and recording of loads and monthly invoices.</p>
Item # 11 - Septage Waste Disposal	<p>\$0.0130/litre For bulk septage disposal at the Wastewater Treatment Plant's disposal depot during normal working hours.</p>
ITEM # 12 - Septage Waste Disposal After Hours	<p>\$163 per load plus \$0.013/litre For bulk septage disposal at the Wastewater Treatment Plant's disposal depot during normal working hours.</p>

Roads Services (U) = Urban (301-000-0000-4255) (R) = Rural (302-000-0000-4255)	Fees
ITEM # 1 - (U) Residential Storm Service	<p>\$1648</p> <p>Fee payable upon residential connection to an existing municipal storm sewer lateral at property line (ie. stub), fee applicable to vacant lots and lots with existing dwellings which were pre-serviced vis-à-vis Capital reconstruction work, fee not applicable to lots which are part of a plan of subdivision.</p> <p>The Works & Engineering Department will not consider requests to construct new municipal service(s) under this or any category or fee type.</p> <p>Flat rate fee, intended to recover the average cost of pre-servicing vacant residential lots or potentially severable lots from main to property line during road reconstruction or service main replacement, storm service may have been constructed by public tender or by in-house forces, material costs include 6" PVC storm pipe and main tee, includes traffic control, fee includes cost of main construction.</p>
ITEM # 2 - (U) Asphalt Reinstatement	<p>\$824</p> <p>Reinstatement of roadway asphalt removed during construction by third party utility companies, fee not applicable for private contracted servicing work. Flat rate fee per occurrence (minimum 3m x 3m x 90 mm charge), intended to recover costs associated with reinstating asphalt which was removed by third party utility companies only (ie. Bell, Cable, Gas), includes traffic control / flagman, timing of works contingent upon availability of Public Works Department resources, reinstatement of work performed by private servicing contractors at discretion of Director of Works and Engineering.</p>
ITEM # 3 - (U) Sidewalk Construction	<p>\$950</p> <p>Flat rate fee per occurrence (minimum 20ft length), intended to recover costs associated with reinstating concrete sidewalk which was removed by third party utility companies (ie. Bell, Cable, Gas) or damages incurred by non-municipal operations. Includes traffic control / flagman, timing of works contingent upon availability of Public Works Department resources.</p>
ITEM # 4 - (U) Curb Construction	<p>\$950</p> <p>Flat rate fee per occurrence (minimum 20ft length), intended to recover costs associated with reinstating concrete sidewalk which was removed by third party utility companies (ie. Bell, Cable, Gas) or damages incurred by non-municipal operations. Includes traffic control / flagman, timing of works contingent upon availability of Public Works Department resources.</p>
ITEM # 5 - (U) Curb Cutting	<p>\$300 > 4 feet plus \$32 per foot thereafter.</p> <p>Widening of an existing residential / commercial / industrial entrance curb in accordance with maximum width provided in the Zoning By-law.</p> <p>Flat rate plus fee (minimum 4 lineal feet measured to include drop and sloped portion), intended to recover costs for removing barrier curb for private entrances (new or widening), timing contingent upon sufficient volume of work or sublet to third party contractor at discretion of Director of Works and Engineering.</p>
ITEM # 6 - (U) Private Sweeping	<p>\$180.25/hr</p> <p>Rate (minimum 1 hour charge per occurrence) intended to cover costs of sweeping un-assumed subdivision streets at the request of the Developer or as deemed necessary by the Director of Works and Engineering (ie. responsibility of the Developer and debris caused by homebuilders).</p>
ITEM # 7 - (U) Vacant Lot Grass Cutting	<p>\$103/hour – 1 hour minimum charge</p> <p>Cutting grass on privately owned vacant lots at default of property standards or as deemed necessary by Director of Works and Engineering.</p>
ITEM # 8 - (U)(R) Winter Maintenance of Un-assumed Roads	<p>\$150/hour Snowplow / Operator plus \$130 per metric tonne salt</p> <p>Plowing, sanding and salting where required on un-assumed subdivision roads (ie. within Municipal road allowances) as deemed necessary by Director of Works and Engineering.</p>

ITEM # 9 - (U)(R) Property Inquiry Request (lot grading compliance)	\$150 Certification of compliance of lot grading, drainage and constructed services in accordance with approved drawings, conditional upon receipt of Certificate of Compliance issued by Developer's Engineer.
ITEM # 10 - (U)(R) Entrance Culvert Installation	\$3000 (minimum) <= 9 meters plus \$350 (minimum) per meters thereafter Intended to recover all costs associated with installing new entrance culverts for single family residential infilling (not commercial/industrial or subdivision developments), including traffic control costs. Total costs (if greater than \$3000) will be determined upon permit approval.
ITEM # 11 - (U)(R) Entrance Culvert Extension	\$200 per foot Rate per foot of culvert extension (maximum 2-foot diameter), intended to recover costs for widening existing single family residential entrance culverts, includes traffic control costs.
ITEM # 12 - (U)(R) Private Roadway Signage	\$309 Supply and installation of roadway signage within Municipal road allowance at request of private owner where signage is not required under provisions of OTM, signage shall become property and responsibility of Municipality including future replacement. Flat rate fee per occurrence, material costs include sign, post and hardware and nominal fee for future replacement.
ITEM # 13 - Road Occupancy Permit	\$206 Any work occupying Municipal right-of-way or portions thereof, requires submission of a Traffic Control Plan in accordance with OTM Book 7 , review of applicable securities and insurance, fee not applicable to permitted special events. Flat rate fee per occurrence, fee not applicable to Capital work projects or agents / contractors thereof, utility companies with franchise agreements required to notify road authority of work activity. Road Occupancy Permits related to filming will incur staff time fees to have roads staff set up and monitor traffic control as calculated by time indicated on Road Occupancy Permit Application.
ITEM # 14 - Entrance Permit	\$250 + \$1,250 refundable deposit Review and approval of new residential entrances, includes field investigation where required, (see Note 5), fee shall not be in addition to approved applications under Site Plan Control (Minor or Major), Plan of Subdivision, OPA, ZBA, Minor Variance or Consent to Sever. Flat rate fee per occurrence, intended to recover costs associated with review and approval of new entrances including sight line visibility, culvert requirements, roadway signage.
ITEM # 15 - Staff Time	\$42.99 <1 Hour plus \$42.99/hr Dispatch of a roads operator during normal working hours at request of consumer / account holder / plumber. The rate per hour (1 hour minimum charge per occurrence) is at the discretion of the Director of Works and Engineering.
ITEM # 16 - Staff Time After Hours	\$128.97 <1 Hour plus \$64.49/hr Dispatch of a roads operator outside of normal working hours / weekends / statutory holidays, at request of consumer / account holder / plumber. The rate per hour (1 hour minimum charge per occurrence) is at the discretion of the Director of Works and Engineering or designate.
ITEM # 17 - Equipment	Will be set as required by referring to the Ontario Provincial Standard Schedule of Rental Rates for Construction Equipment, Including Model and Specification Reference most current version as updated from time to time.
ITEM # 18 – Boulevard Tree Planting	\$545/previous years average Residents are able to donate to the Municipality to have a tree planted in the boulevard by their homes. The tree will be planted at the same time as the annual tree planting contract. Approved species are available on the website for residents to choose. The fee includes the purchases of the tree, planting by the awarded contractor, and a two year warranty to ensure survival.

Works & Engineering Services Engineering Admin Service Fee (303-000-0000-4255)	Fees
ITEM # 1 - Servicing and Grading Review	<p>\$515 Review of site servicing (water, sanitary, storm) to ensure compliance with municipal standards, review of lot grading and drainage, review design reports for structural retaining walls and fences and slope hazards, includes field investigation and routine construction inspection where required. Flat rate fee is intended to ensure compliance to Municipal standards and for the protection against negative impacts to abutting lands.</p>
ITEM # 2 - Municipal Utility Locate Fee	<p>\$212 Physically locate Municipal water, sanitary and storm sewer laterals and mains within Municipal road allowance vis-à-vis surface demarcations (ie. required condition of severance applications, building additions, private service replacements), confirmation of separate municipal services to separate dwellings. Flat rate fee per occurrence, includes written locate drawing, field investigation, review of sewer / water locate cards and GIS database, field demarcation and traffic control, material cost includes spray paint and grade stakes where applicable and repairs/maintenance of electronic locator device, dye tablet testing of sanitary laterals and camera investigation of laterals where applicable and at discretion of Director of Works and Engineering or designate.</p>
ITEM # 3 - Encroachment Permit	<p>\$412 Review and approval of private encroachments within the Municipal road allowance (ie. stone retaining walls, porches, steps, landscape features and appurtenances), permit is conditional upon approval of required encroachment agreement by Council. Includes field investigation where required. Flat rate fee per occurrence.</p>
ITEM # 4 - Servicing Inspection	<p>\$283.00 per service type Inspection of: Water- 510-502-0000-4255, Sanitary - 303-000-0000-4255 Storm sewer services - 303-000-0000-4255</p> <p>Installed by private third-party contractors to ensure compliance with Municipal standards, fee applicable for infilling, excludes lots under umbrella of subdivision agreements.</p> <p>Servicing inspection fee is for one 3/4" or 1" water service, one 6" sanitary service c/w 4" reducer and one 6" storm service (additional fees will be required for additional and/or larger services. Flat rate fee per occurrence, intended to recover costs associated with inspecting the construction of water, sanitary and/or storm services from main to property line by private third party contractors, intended for single family residential infilling (not commercial/industrial and subdivision developments), includes costs for 'as-constructed' measurements and records, creation of water and sewer database cards and GIS input, does not include mainstop installation by licensed water distribution operator. This fee may be divided by the number of services required for inspection.</p>

<p>ITEM # 5 - Demolition Inspection</p>	<p>\$309 Review and approval of proposals for abandonment of Municipal services (water, sanitary or storm), including inspection of capping following demolition.</p> <p>Deposit required to ensure that the private demolition contractor complies with Municipal requirements for properly abandoning Municipal services at the main unless otherwise directed by the Director of Works and Engineering or designate, including capping sanitary and storm laterals and capping mainstop at watermain. Deposit less deficiencies to be returned upon satisfaction of Director of Works and Engineering or designate.</p>
<p>ITEM # 6 - Detail Review and Approval of on-site/off-site</p>	<p>4.5% of Total Development Cost <=\$200,000 plus 2.5% thereafter Review of site servicing (water, sanitary, storm) to ensure compliance with municipal standards, review of lot grading and drainage, review design reports for structural retaining walls and fences and slope hazards, includes field investigation and routine construction inspection where required.</p>
<p>Works & Engineering Services W & E Refundable Deposits (303-000-0000-2420)</p>	<p>Fees</p>
<p>ITEM # 7 - Private Servicing Refundable Deposit Deposit required to ensure that private servicing work, grading and drainage and reinstatement of Municipal road allowance and appurtenances thereof are constructed to Municipal standards and according to approved drawings, deposit less deficiencies to be returned upon satisfaction of the Director of Works and Engineering</p>	<p>\$2060 Flat rate fee per occurrence, intended to ensure compliance with approved drawings and municipal standards and that deficiencies are corrected in a timely manner, not usually a problem with infilling lots but mainly with subdivision lots wherein lots are sold by developer to home builder or where homeowner changes grading (ie. swimming pool installation) prior to release of subdivision securities, subdivision agreements to include clause requiring builders to submit deposit prior to building permit and regarding requirement for plot plans.</p>
<p>ITEM # 8 – Administration Fee</p>	<p>\$50 per hour Intended to recover the costs of processing applications and scheduling items listed as “Time plus Materials”.</p>

Site Alteration and Fill Permit Applications

Assumptions for all size fill operations

- 1) Staff member responsible is the Director of Works and Engineering
- 2) Allow \$75.44 per hour which includes, salary & overhead
- 3) Time estimated below is minimum anticipated time for review and inspections
- 4) Security deposits commensurate with the work would be required to cover off damages to roads and infrastructure
- 5) Costs of land use planning reports/environmental impact studies, peer review and any soil testing to be done at applicants expense
- 6) All volume amounts would be determined from plans and profiles submitted by the applicant and checked by staff. This prevents having to deal with truck way slips and saves staff resources

Summary - Permit costs on Cost Recovery Basis would be:

Minor Fill Operation (less than 100m ³)	\$150.88
Small Fill Operation (100 to 500m ³)	\$754.40
Large Fill Operation (more than 500m ³)	\$905.28 plus \$1.81/m ³ in excess of the first 500m ³

Site Alteration and Fill Permit Application Administration

Minor Fill Operation:

- Placing or dumping less than 100m³ of fill
- Typical load for standard dual axle dump truck ~10m³
 - less than 10 trucks
 - typical for lawn or garden
- Minimal staff review

Action	Time (hrs)	Salary/Rate	Est. Cost
Staff time processing permit application - determination of: <ul style="list-style-type: none"> • fill control plan (5.2(f)) • truck routes (5.3) • mud mats and dust control (5.4) 	1.0	\$75.44/hr	\$75.44
Time monitoring operation	N/A	N/A	N/A
Responding to complaints or questions	0.5	\$75.44/hr	\$37.72
Communications with permit holder or applicant	0.5	\$75.44/hr	\$37.72
Reviewing reports, studies, surveys, documentation	N/A	N/A	N/A
TOTAL	2.0	N/A	\$150.88

Site Alteration and Fill Permit Application Administration**Small Fill Operation:**

- Placing or dumping between 100m³ and 500m³ of fill
- ~10 to 50 dump trucks
- Review of application including fill control plan to ensure no adverse impact on site and Neighbouring properties
- Monitoring of operation
- Complaints re noise, dust, mud and volume of traffic
- Enforcement for non-compliance Assumptions for Small Fill

Operations:

One initial visit at application and one during the work, one final.

Action	Time (hrs)	Salary/Rate	Est. Cost
Staff time processing permit application - determination of: <ul style="list-style-type: none"> • fill control plan (5.2(f)) • truck routes (5.3) • mud mats and dust control (5.4) 	3.0	\$75.440/hr	\$226.32
Time monitoring operation (three visits 1hr each)	3.0	\$75.44/hr	\$226.32
Responding to complaints or questions	1.0	\$75.44/hr	\$75.44
Communications with permit holder or applicant	1.0	\$75.44/hr	\$75.44
Reviewing reports, studies, surveys, documentation	2.0	\$75.44/hr	\$150.88
TOTAL	10hrs	N/A	\$754.40

Site Alteration and Fill Permit Application Administration**Large Fill Operation**

- Placing or dumping more than 500m³ of fill
- More than 50 dump trucks
- Detailed information for fill control plan
- Consultants for review
- Longer operation requiring continued monitoring
- Additional enforcement

Assumptions for Large Fill Operations

- Application and review costs the same as for Small fill operations and the permit covers all costs for the first 500m³
- Additional costs for ongoing monitoring for the fill in excess of the first 500 m³ are included in costs per cubic metre.
- Time for site visits and dealing with duration of truck traffic and public concerns and additional communications with Owner factor into the unit costs per cubic metre.

Calculation Table to Determine Costs per Cubic Metre Based on subsequent 500m³

Action	Staff Time (hrs)	Cost
Two site visits at 1.5 hrs each	3.0	\$226.32
Responding to complaints or questions of the public and instructions to other municipal staff concerning signage or haul routes and traffic control	4.0	\$301.76
Communications with permit holder or applicant	2.0	\$150.88
Reviewing reports, studies, surveys, documentation, soil tests, communicating with applicant's consultants	3.0	\$226.32
Total based on 500m ³	12.0	\$905.28
Prorated per cubic metre (\$600/500m³)		\$1.81/m³

Heritage Port Hope

FEE BY-LAW, SCHEDULE J

Department of Parks, Recreation and Culture (Proposed fee schedule for 2022 – 2026)

Definitions:

The following definitions pertain to the booking and program structure to guide staff in determining the rental/program rate to be applied. Staff will have a full comprehensive chart with all individual fees broken down by the following defined groups. Definitions do not indicate permissions for all rentals as some requirements may be outlined in additional By-Laws and agreements (examples: Parks By-Law, Waiving or Reduction of fees policy).

Private Rental/Base Rate – applies to individuals/ groups that reside in the Municipality of Port Hope and are renting the space for private non-revenue generating use.

Commercial – (applicable rate plus 25%) – applies to any for profit business for revenue generating use.

Adult – (less 15% of Base) – applies to organizations or individuals that are non-revenue generating or non-profit in nature. These organizations will provide services primarily to adults or be considered a community service organization.

Youth/Senior – (less 35% of Base) – applies to organizations or individuals that are non-revenue generating or non-profit in nature. These organizations will provide services for children, youth and seniors.

Non-local sport groups – (applicable rate plus 25%) – applies to any non-resident sport group/organization for revenue generating use

Admission Age Breakdown:

Infant 0-1

Child 2-13yrs

Youth 14-17yrs

Adult 18-54yrs

Senior 55yrs+.

General Booking Notes:

- Bookings will be charged on a one hour or half hour increment.
- Multi-day events will be charged a maximum of 12 hours per day (2 or more days booked).
- For licensed events, an additional fee of \$10 will be charged per hour, on top of the room rental rate, during the licensed times.
- Additional Set-up or Take Down costs and/or extra clean-up will be charged at a rate of \$25/hr./staff at the discretion of the Department of Parks, Recreation and Culture.
- Applicable admin, cancellation and NSF fees will be charged based on changes and cancellations.
- All facility reservations will be billed a non-refundable 25% at time of booking.
- Support workers attending with a patron who requires assistance will not be charged an admission fee as per the AODA customer service policy.
- Multi-visit passes expire 365 days from purchase.
- 3% increase on all fees annually unless otherwise indicated.
